Meet our award-winning fleet of ships – luxurious, warm and welcoming

Each of the exquisite ships in our award-winning fleet has been thoughtfully designed with your needs foremost. Onboard, the ambiance is uniquely Celebrity. Warm and welcoming – yet sophisticated and stylish. Your accommodations and the public areas are reassuringly luxurious and spacious – yet comfortably relaxed. Step aboard and find out why we're the critics choice - time and time again.

Solstice Class – heralding an exciting new era in cruising, our Solstice Class consists of five magnificent ships – *Celebrity Solstice*, *Celebrity Equinox* and *Celebrity Eclipse* (launching 2010), with a further two to follow. Truly innovative, these floating masterpieces are the result of Celebrity's collaboration with a team of world-class architects, designers and stylists. Where else at sea would you find half an acre of manicured lawn on deck and a glassblowing studio? Or no less than ten stunning dining venues? Among many other industry firsts, they also feature a unique new class of luxury stateroom – AquaClassSM – perfect for spa lovers, who can also enjoy their own exclusive speciality restaurant – Blu^{*}.

Millennium Class – with their distinctive glass elevators hanging over the ship, The Conservatory, and central atrium spanning eleven decks, *Celebrity Millennium*, *Celebrity Summit*, *Celebrity Constellation* and *Celebrity Infinity* comprise this award-winning class of large ships. They are known for their particularly generous guest-to-space ratios, most of the expansive staterooms have ocean views, and they were the first of our ships to feature our popular speciality restaurants.

Century Class – 'mid-sized' *Celebrity Century* and *Celebrity Mercury* make up our elegant Century Class. Tastefully decorated and reminiscent of classic ocean liners – but with a stylish, modern feel – they're a firm favourite with guests preferring a slightly smaller ship. Both feature our signature AquaSpa[®] by Elemis[®] and Michael's Club, while *Celebrity Century*'s Martini Bar also boasts a unique ice bar, the first at sea.

Xpedition Class – calling to the adventurous traveller, our smallest ship *Celebrity Xpedition* sails year round to the untouched Galapagos Islands. Designed to be environmentally sound, yet filled with luxurious features, it also has the sense of intimacy you'd expect to be found on a ship that sails with a mere 92 guests.

We'll entertain you with an enticing array of shows, stylish bars and lounges

Sailing with Celebrity Cruises opens up a whole new world of night time possibilities – some entertaining, some enriching and some delightfully indulgent. So whether you enjoy socialising with friends, listening to contemporary or classical music, a pre-dinner cocktail, a captivating show, or perhaps a flutter in the casino, there's something to suit your every mood.

Stylish Bars – gather with new friends in an intimate venue like Michael's Club to the soothing background melodies of a jazz pianist while enjoying an aperitif from a comfortable leather armchair. The plush Champagne Bar serves delectable canapés and is just the place for that special celebratory toast, while in the Martini Bar perfectly poured cocktails are always on the menu. On our new Solstice Class ships, this Celebrity classic takes on a fresh twist with neighbouring Crush*, a separate alcove featuring a stunning ice-filled table, where you can pair the flavours of vodka and caviar.

A Myriad of Venues Await – ease into your evening with a pre-dinner dance in the Rendez-Vous Lounge. Everywhere, the sound of music greets you – the clear, tinkling notes of the harp playing in Cova Café, the gentle strains of a violin from the ship's roving classical ensemble, or the guitarist on the rear deck singing your favourite hits – past and present. If you're in the mood for romance, expect to be seduced by the vibrant ambiance and contemporary rhythms you'll find in the nightclub – the music doesn't stop until the last dance ends. Even the most energetic among us require a few moments at a slower pace, so if the last dance isn't quite your thing, why not savour a glass of vintage wine in Cellar Masters* or catch up on a recent movie in the cinema?

End the Day with a Flourish – watch the stars come out in the Celebrity Theatre, showcasing some of the best entertainment at sea through our exclusive new partnership with Poet Theatricals. Celebrity's Ireland, Western Mediterranean and the Canaries

Cork (Cobh), Ireland

Although it's Ireland's second largest city, Cork itself is quite compact, making everything easily accessible. Walk through its quaint streets crossing over graceful bridges to arrive at the Butter Exchange of 1770 where you'll see artisans weaving, and cutting crystal. Or take a panoramic sightseeing tour stopping at the lovely village of Blarney, home to Ireland's 'crown jewels' – the famed Blarney Stone.

Lanzarote, Canary Islands

Just 96 kilometres off the coast of Africa lies the island of Lanzarote, a living museum of unique volcanic formations, caves and underground grottos. Take a guided walk or climb aboard a wicker-basket chair for a camel-ride over the dunes before continuing by coach towards the Fire Mountains, the red and black volcanoes that dominate the island – there you'll be amazed at the dramatic landscapes.

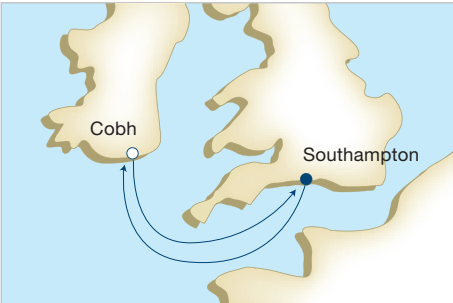

Palma De Mallorca, Spain

The dramatic Gothic cathedral of La Seu took an incredible 500 years to build and dominates the skyline. As we'll be in port overnight, you've the chance to see the renowned Son Amar Show – three hours of non-stop entertainment including dinner, flamenco dancing, magic, modern ballet, and a spectacular laser and fountain display. Palma is also home to the highly regarded Mallorca pearl, available from many elegant shops.

Treasures –
cruises to ancient

Barcelona, Spain

There's no place quite like Barcelona. You'll find the local food a joy and your eyes have plenty to feast on too. There's the colourful display of the Flamenco dance with its heel stamping, hand clapping and beautiful costumes. Take in the breathtaking cathedrals in the Gothic quarter or seek inspiration from Gaudi's unfinished masterpiece, the Sagrada Familia.

Dubrovnik, Croatia

One of our prettiest ports of call, Dubrovnik is also one of the best-preserved medieval centres in Europe. Once through the stone fortifications of the Old Town, you'll be transported into a world of marble-paved squares, fountains and palaces. But save some time for a panoramic drive along its riviera to Trsteno and Ston for a light seafood lunch.

Venice, Italy

A city like no other appearing to float on the water in the middle of a lagoon, Venice is best seen from the water so take a romantic gondola ride or a cruise of the waterways starting on the Grand Canal. Then visit the Doge's Palace, cross the Bridge of Sighs and enjoy a coffee in St. Mark's Square with its stately buildings and 900-year-old cathedral. Don't forget to visit a glass showroom where you can observe artisans at work and purchase authentic Venetian Murano glassware.

Ashdod, Israel

Boasting a rich past history and best known as the capital of the Philistines in biblical times, Ashdod was also a major port of the Greek and Roman empires. Modern day Ashdod offers you easy access to the sacred city of Jerusalem, vibrant Tel Aviv and must-see sites such as Mount Zion, the Tomb of David, the Tomb of Judges and the Dead Sea.

Alexandria, Egypt

Built on the orders of Alexander the Great, Alexandria is Egypt’s centre of culture, learning and science. Its lighthouse, at the time the tallest building on earth, was one of the Seven Wonders of the Ancient World. Notable for the white sands of its beaches, Alexandria is also your departure point for excursions to the capital Cairo and the sole survivor of the Seven Wonders, the Pyramids. Your journey from Alexandria will be a journey through time.

Rome (Civitavecchia), Italy

An hour’s ride on an express train takes you straight to the centre of Rome where designer boutiques rub shoulders with historic ruins. There’s time to shop or take a tour around the Forum, Colosseum and other Imperial Roman landmarks. Pause for an espresso at a street café as you make your way to the Vatican Museum and Sistine Chapel to view Michelangelo’s famous ceilings.

Western
Caribbean –
a paradise of
friendly islands

Cozumel, Mexico

Only 19 kilometres east of the Yucatán Peninsula lies the island gem, Cozumel. Its astonishing coral reefs are sanctuary to hundreds of exotic fish species so you'll find it's the perfect place for snorkelling and diving. But for something different, take the ferry ride and trip to Xcaret Eco-Archeological Park where you can take a swim in an underground river and visit the Mayan museum.

George Town, Grand Cayman

Once a hideout for pirates like Blackbeard, Grand Cayman is one of the Caribbean's favourite getaways. There's the gorgeous Seven Mile Beach with its powder-soft sand and water so incredibly clear it'll take your breath away. At Stingray City, watch from a semi-submersible while divers mingle and feed dozens of stingrays. Don't forget to take advantage of George Town's sensational duty free shopping.

Miami, Florida

There's so much to this city – 56 kilometres of sparkling beaches; a wide range of museums; the world-famous art deco district of South Beach bursting with outdoor eateries and designer stores; and many upscale shopping malls. Take a tour of the city's highlights, then try an exciting airboat safari of the unique Florida Everglades, keeping an eye out for their most important inhabitant – the alligator.

Eastern
Caribbean Escapes
– your chance to
capture the sun

Basseterre, St. Kitts

Just one of the surprises that St. Kitts has in store for you is a town square fashioned after London’s Piccadilly Circus. To see more, catch a double-deck train circling the island, passing Brimstone Fort (the ‘British Gibraltar of the Caribbean’) and other highlights. For a first hand experience of St. Kitts’ emerald rainforests, there’s a tour stopping first at the manicured Romney Gardens and renowned Caribelle Batik Studios, before continuing on a guided forest walk.

Charlotte Amalie, St. Thomas

St. Thomas is a shopper’s paradise with some of the best duty free shopping you’ll find anywhere. But take a break from your bargain hunting to take in the scenic views – at Mountain Top, the island’s highest point, you’ll be able to look down on lovely Magen’s Beach, rated as one of the top ten beaches in the world by the National Geographic Society.

Philipsburg, St. Maarten

On the half French, half Dutch island of St. Maarten, it’s hard to decide whether the shopping or beaches are best. For fine snorkelling and swimming, cross to the French side and Pinel Island, a tropical paradise. Then back onto the mainland and the French capital Marigot to explore its boutiques, street markets and pavement cafés. St. Barts, playground to the rich and famous, is only 40 minutes away by luxury hydrocruiser.

Southern
Caribbean –
feel your cares
melt away
in the tropics

Bridgetown, Barbados

A statue of Lord Nelson and a passion for cricket hint at Barbados’ centuries-old British heritage. Enjoy a scenic ride stopping at a rum factory or the famous Bathsheba rock formations, but keep a lookout for the bearded fig tree, origin of the island’s name Los Barbados – ‘the bearded ones’.

Castries, St Lucia

Castries’ shoreline is nothing less than spectacular featuring hidden coves and the dramatic twin peaks – the Pitons. Take a ride along the west coast through fishing villages and banana plantations to the Toraille Gardens, where a waterfall gushes over a 15 metre cliff. A coastal boat-trip can take you to view the Pitons and, in Castries itself, gracious squares and stores selling handicrafts wait like buried treasure for you to discover.

St Johns, Antigua

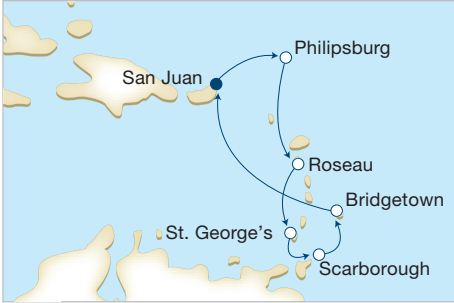

With an incredible 365 beaches to explore, each as beautiful as the last, you’ll need to pace yourself on Antigua. The more adventurous can take an exhilarating tour through the lush rain-forest canopy on a series of zip lines criss-crossing a gorge, stopping at a hidden tree-house for a break. Just as enthralling is the 40 - 45 minute helicopter ride to the volcanic island of Montserrat where you’ll fly low over abandoned villages and the massive Tar River Gorge at the foot of the volcano.

Exotic Caribbean
highlights –
voyages to the
spice islands

Oranjestad, Aruba

Oranjestad will charm you with its chic blend of Dutch and Caribbean influences, visible in everything from the cuisine to the architecture. Explore the colourful floating market with its arts and crafts, and the lively malls of the downtown harbour front area. Then venture into the countryside to see attractions like the famous Natural Bridge sculpted by wind and sea, and the mysterious formations at Casibari Rock.

St George’s, Grenada

If you smell nutmeg in the air when you step off your ship, that’s because Grenada is the spice capital of the world. Discover the scents and aromas of this picture perfect island at old plantations, spice estates and rum distilleries dating back to the 18th century. Back in St. George’s, you’ll want to explore the pretty harbour with its terraces of pale, colour-washed houses and the shops of Wharf Street.

Willemstad, Curaçao

No one can blame the early European settlers for building so many forts at Willemstad – one look at this former Dutch colony and you’ll want to claim it all for yourself. Food enthusiasts won’t want to miss the Caribbean cooking demonstration held at a typical old mansion. Other highlights include the Ostrich Farm – the largest of its kind outside Africa.

Ultimate
Caribbean Cruises
– your chance to
see it all

Cartagena, Colombia

Located on Colombia’s Caribbean coast, the historic city of Cartagena is still encircled by the 17th century fortifications that protected gold and treasures bound for Spain. The many squares will offer you a shady refuge as you explore streets lined with colonial baroque architecture. Must sees are the Plaza de la Independencia and the Palace of the Inquisition featuring the brutal Spanish Inquisition.

Colon, Panama

Witness two of the world’s man-made marvels – the Panama Canal, an engineering feat on a par with the great Pyramids of Egypt, and Lake Gatun, the planet’s largest man-made lake. Take an eco-cruise past lush rainforests bursting with exotic birds, monkeys, sloths, iguanas and crocodiles. Or take the scenic excursion through the streets of the old French Quarter, founded in 1673, before visiting the gigantic Gatun Locks to view ships entering the Canal.

Roatan, Honduras

Roatan is one of the world’s premier diving destinations boasting numerous wrecks, a fringing coral reef and bountiful marine life. You can observe them from a glass-bottomed boat while an expert explains the underwater environment. Or take a walk on the wild side with an eco-hike to the summit of Carambola Mountain – passing flowering orchids, fruit trees, wildlife and colourful birds.

Alaska Explored
– answer the call
of the wild on a
luxurious cruise
of Alaska

Juneau, Alaska

Adventures await everyone in picturesque Juneau, the site of Alaska’s first major gold strike. If you’re seeking wildlife, take a whale-watching and wildlife cruise. To view the imposing Mendenhall Glacier and experience the flight of your life, there’s no finer place for a helicopter tour. Or why not journey back in time and try your hand at gold panning?

Ketchikan, Alaska

The picturesque salmon capital of the world is your departure point for seaplane excursions bound for the nearby Misty Fjords National Monument – 2.2 million acres of wilderness. It’s also the home of Alaska’s Tlingit Indians and the largest collection of totem poles in the world. The traditions live on and you’ll be able to watch carvers at work and experience their elaborate ceremonies.

Skagway, Alaska

Skagway was the gateway to the great Klondike gold rush of 1898 and known as ‘the roughest town on earth’, boasting 80 saloons. Follow the trail of the prospectors from the historic Broadway as you are taken up to the 1,000 metre White Pass Summit completing your journey with a mouth-watering salmon bake back at Liarsville, a faithfully recreated gold rush trail camp.

North America –
Canada, New
England, Panama
Canal and
West Coast

Panama Canal

Linking the Pacific and Caribbean oceans, this 80 kilometre waterway is one of the world’s great engineering achievements. This monumental undertaking took 10 years to build and needed thousands of men to carve its path through dense jungle. Spend a fascinating day as the complex system of locks lifts your ship through 26 metre on its journey through the dramatic landscapes of the isthmus.

Quebec City, Canada

On docking, you’ll find a delightful combination of modern city and historic town overlooking the St. Charles and St. Lawrence rivers. Revel in Quebec’s French heritage as you explore narrow cobblestone streets and alleyways passing an array of boutiques, speciality shops and outdoor cafés. If you’re in the mood for a scenic drive along the St. Lawrence River, you won’t want to miss the impressive shrine of St-Anne-de-Beaupré and the spectacular 83 metre Montmorency Falls.

San Francisco, California

One of America’s most exciting cities and what’s more, easy to get round with its many trolleys and landmarks. Visit Fisherman’s Wharf with its stylish shops and outdoor cafés to board a ferry for Alcatraz Island, seeing the cells used by Al Capone and The Birdman of Alcatraz. Then take a coach ride over the Golden Gate Bridge to the quaint town of Sausalito with its galleries and arts and crafts stores.

South American
Rhythms &
Antarctic
Discoveries

Buenos Aires, Argentina

Almost more European than South American in flavour, the ‘Paris of South America’ is full of sightseeing opportunities. Join a tour along the wide avenues to the Plaza de Mayo square to see the Evita museum and other attractions, returning to your ship through the fashionable Recoleta Quarter with it’s exclusive shops and restaurants. Or take a day trip to the spectacular Iguazu Falls, one of the Natural Wonders of the World.

Montevideo, Uruguay

You’ll find it easy to get around this walking-friendly city bursting with open-air cafés, museums, art galleries and European-inspired squares. But for something different, spend the day on a working ranch learning about the daily chores of the gaucho (cowboy) and enjoying a typical barbeque lunch complete with Uruguayan wines, traditional folk songs and dance.

Puerto Montt, Chile

Imagine sipping some cool Chilean white wine after testing your skills on a trout fishing expedition to the Rio Maullin. There’s also the chance to take a guided journey on a four-wheel drive vehicle to the Orsono Volcano. There you’ll be able to take a short walk and make the most of the splendid photo opportunities of the panoramic views.

Transatlantic Crossings

- linking the Old and New Worlds

Ponta Delgada, Azores

Once a staging post for galleons laden with treasure crossing the Atlantic from the New World and lying thousands of miles from land, the island of São Miguel has a character uniquely its own. Classic Portuguese architecture, superb whale-watching, and local handicrafts are just some of the attractions awaiting you, while the views from Sete Citades some 579 metres above are simply incredible.

Tenerife, Canary Islands

Your port, Santa Cruz, has colourful markets and fine museums and so does La Laguna, just a few kilometres away. Once the island's capital, it boasts many large squares and grand old buildings. Travel onwards to the island's vineyards where you can stop at the famous Bodega Alvaro for an aperitif. To see Tenerife's spectacular beaches, deserts and mountains, take a panoramic coach tour of the island.

Vigo, Spain

Spanish galleons once returned to this great port laden with treasure and riches from the New World. Today, many make the pilgrimage to the magnificent Romanesque cathedral of Santiago de Compostela nearby, built over the burial spot of St. James. On the way, you'll see dramatic views of one of the largest suspension bridges in Europe, crossing the Rande Straight – the scene of numerous naval battles between Spain and England in the 18th century.

Galapagos
Expeditions –
journey to the
world's most
isolated islands

Isla San Salvador

You'll feel like you're on another planet on this desolate island moonscape. Be sure to take the walk across the volcanic landscape of red, orange, green or glistening black formations to visit the famous Tuff Cone called Pinnacle Rock – it's also a favourite meeting place for sea lions and Galapagos penguins, the smallest of the penguin species.

Isla Santa Cruz

All the Galapagos' 'life zones' are present on this island – wild tortoises roam free in the mist covered grasses of the humid highland zone; flycatchers, finch and owl fill the Scalesia forests near Los Gremios; and the coastal region offers spectacular scenery – from the mangrove lagoon of Black Turtle Beach to cactus-covered Puerto Ayora.

Isla Floreana

The oldest of the islands, you'll find Floreana with its inactive volcano and rich vegetation a marked contrast to its younger neighbours. Flamingos, white-cheeked pintail ducks, and green sea turtles are among the highlights on land, while the sunken crater of Devil's Crown offers great snorkeling offshore. It's also renowned for its colourful history of buccaneers, colonists and convicts. Visit the historical site in Post Office Bay where an 18th century whaling crew placed a wooden barrel that you still can use as a post box.

Celebrity's Fleet – introducing the best cruise ships in the world

Celebrity Cruises' elegant and innovative fleet is consistently ranked among the best in the world. Recent accolades include being voted the World's Best Large Ships by the readers of Condé Nast Traveler for six years in a row – and that was before our three new Solstice Class ships moved the bar higher, yet again.

Whichever of our ships you choose to sail on, all offer an onboard environment designed around your comfort and relaxation. On each you'll experience Celebrity's highly personalised service, award-winning dining, wide-ranging entertainment, exceptional spa and fitness facilities, complemented by truly extraordinary accommodations. After all, our staterooms and suites are far more than just the place you'll be sleeping in during your time with us – they're home.

Staterooms – all of Celebrity's spacious and tastefully furnished staterooms come with 24-hour room service, premium Egyptian cotton bed linen that makes each night a restful one, and a host of complimentary extras. For your convenience and enjoyment, an interactive TV allows you to preview and book shore excursions*, order a bottle of your favourite wine*, or simply relax and watch a movie*, while even the storage space is carefully considered to provide ample space for your belongings.

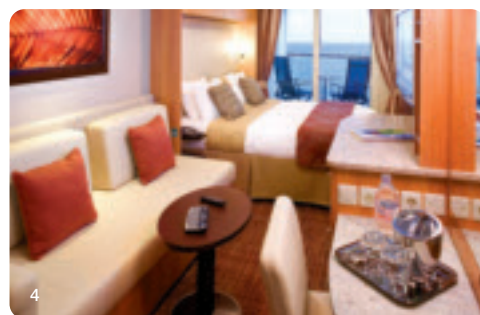

AquaClass^{SM†} – exclusive to our Solstice Class ships, guests have the added choice of AquaClassSM, a new category of 130 double-occupancy staterooms offering unlimited access to the AquaSpa® relaxation room and Persian Garden, as well as a host of other soothing extras – creating the perfect spa retreat.

Concierge Class – something offered by no other premium cruise line, Concierge Class staterooms are located in the most desirable parts of each ship and provide guests with an even more personalised level of service. These plush balcony staterooms also come with a wide range of added amenities to take the art of indulgence to a new level.

Suites – for some, having the ability to stretch out may be the ultimate indulgence. If this is you, then our gorgeous suites are the pinnacle of Celebrity accommodation. Most feature separate sleeping areas, while all include their own butler plus a raft of very special touches.

To see what's available on each ship, turn to pages 52, 56 and 62. And for Celebrity Xpedition's accommodation details, please turn to page 66.

Solstice Class – the most stunning cruise ships to enter service in decades

Building on Celebrity's reputation for innovation, our Solstice Class ships are the largest and most advanced we've ever built. Aboard, we turned to seasoned travel connoisseurs – Celebrity's Leading LadiesSM – for advice in shaping your living environment. The result – truly inspired accommodations 15% larger on average than on any other Celebrity ship, 90% with an ocean view, almost all of these with private balconies. Not least, from April 2010 this unrivalled class comes to Europe when the newest, Celebrity Eclipse, sails from Southampton.

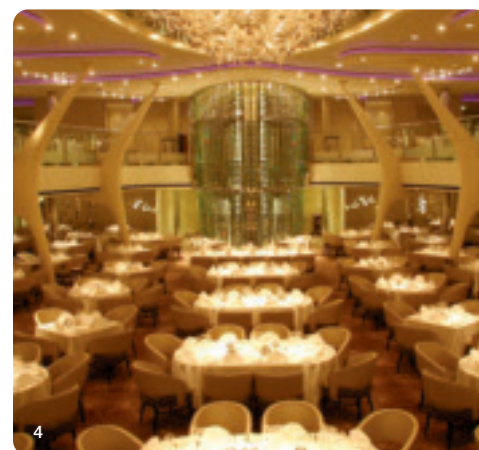

The Lawn Club – there's absolutely nothing like it anywhere at sea – half an acre of freshly manicured real grass lawn on the top deck incorporating the Patio on the Lawn and Sunset Bar venues, perfect for a coffee or a cooling drink.

Hot Glass ShowSM – created in collaboration with the Corning Museum of Glass and exclusive to Celebrity's Solstice Class, watch as molten glass turns into objects of art in the out-door glassblowing studio.

A Feast of Dining Options – in addition to the dazzling two-tier main dining room with its multi-story glass wine tower, there's Bistro on Five* (crêperie), Oceanview Café & Grill (casual dining), the Mast Bar & Grill (grilled specialties), AquaSpa Café (light and healthy), Café al Bacio* (Italian pastries and gelato) and no less than four of our renowned speciality restaurants* – Silk Harvest (Asian fusion), Tuscan Grille (Italian-inspired steakhouse), Murano (contemporary European), and Blu** (health focused menu).

AquaClassSM Staterooms – near the Solarium and AquaSpa[®] by Elemis[®] you'll find a unique new class of 130 contemporary staterooms, created specifically for Solstice Class ships. Indulge in life's luxuries with special amenities like invigorating Hansgrohe[®] showers, aroma scent selections that allow you to create a mood to match your holiday dreams, and a pillow menu that ensures night-time bliss. Throughout the day, you're free to enjoy many extras like daily deliveries of bottled water, juices and teas. The AquaSpa[®] relaxation room and Persian Garden are yours to enjoy free of charge. And you'll also enjoy complimentary continental breakfasts and evening dining in Blu**, an exclusive speciality restaurant dedicated to AquaClassSM guests.

Millennium Class – the world's best large cruise ships, year after year

Our universally acclaimed Millennium Class ships are much admired for their AquaSpas and ultra-modern fitness centres with panoramic floor-to-ceiling windows. They also boast a towering central atrium spanning eleven decks, glass elevator banks overhanging the sides of the ship, and a host of other groundbreaking design features.

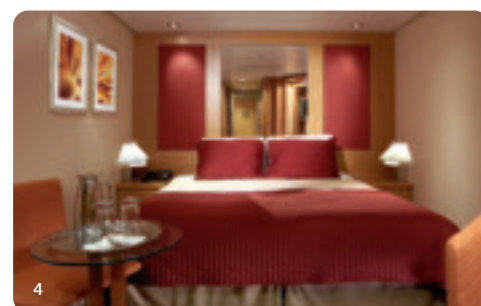

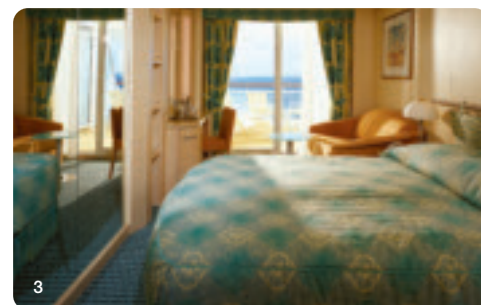

Speciality Restaurants* – experience award-winning dining in an intimate venue holding less than 80 guests, where the ambiance recalls the great European ocean liners of the 20th century. For example, Celebrity Summit's Normandie Restaurant replicates the art-deco pizzazz of the celebrated French liner of that name, while Celebrity Millennium's Olympic Restaurant is decorated with the original hand-carved wood panelling from the dining room of the RMS Olympic.

Bars & Lounges – meet in a broad variety of venues suiting every mood. The softly lit Martini and Champagne Bars serve the perfect pre-dinner aperitif. In Michael's Club the leather chairs exude luxury, while the rich coffee aromas from the Cova Café are hard to resist. Kick off your evening with a dance in the Rendez-Vous Lounge or simply enjoy a sundowner at the Mast Bar on the aft deck.

AquaSpa® by Elemis® – pamper yourself in Celebrity's pioneering spa, still one of the largest you'll find at sea today. Jacuzzi pools, an aromatic Persian Garden* steam room, saunas, and a glass-roofed solarium containing a large Thalassotherapy Pool with soothing pressure jets complement a tranquil beauty salon offering you a wide array of the latest in beauty and health treatments.

Celebrity Theatre – an elegant three-tier venue located towards the front of the ship showcasing the ship's entertainment spectaculars, cabarets, comedy shows and other performances. Soft, comfortable seating, the quietly efficient cocktail service, and great quality entertainment combine to ensure a memorable evening.

Century Class – classically inspired ocean liners, with a stylish and modern feel

Stunning inside and out, and renowned for their museum-quality art collections, both of Celebrity's Century Class 'mid-sized' ships have been comprehensively upgraded to incorporate the latest features and amenities. Celebrity Century's stem-to-stern \$55 million refurbishment in 2006 included the addition of the first 'ice bar' at sea (a liquid bar counter frozen into rock-hard ice), a fitting venue for Celebrity's signature Martini Bar. In addition, the AquaSpa® by Elemis® was enhanced, staterooms upgraded and 314 balconies added. Celebrity Mercury followed suit in 2007 with new balconies added to staterooms, as well as an upgrade to the entire pool deck.

Dining Options – as you'd expect, there's a wide range of dining venues to tempt guests. The elegant two-tiered main dining room is reminiscent of those found aboard the great ocean liners of the 1930s – large picture windows provide uninterrupted sea views, while alcoves add intimate dining spaces should you wish to dine on your own. On Celebrity Century, a Sushi Café has been added to the Casual Dining Boulevard and there's also the unique Murano speciality restaurant*, decorated with Venetian Murano Glass chandeliers.

Michael's Club – a true Celebrity classic, this intimate piano bar offers you a warm, cosy ambiance with rich wood and leather furnishings, subtle lighting and soothing live jazz. It's just the place to savour an aperitif before dinner or a single malt scotch at the end of your day.

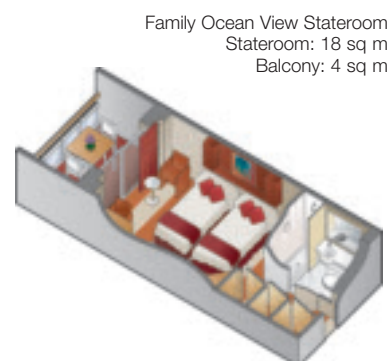

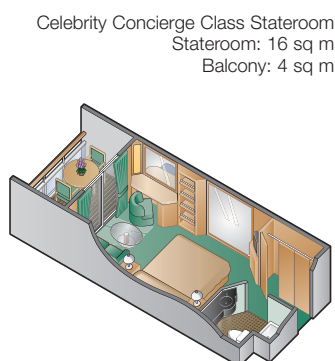

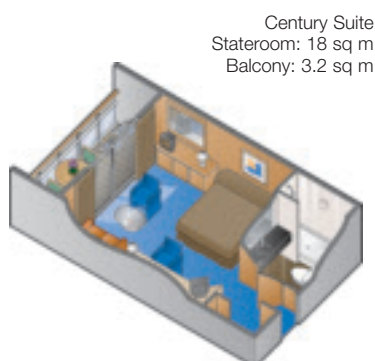

Cova Café Milano – serving an extensive range of coffees, fresh pastries, delectable chocolates and liqueurs, and located in a prominent position in the ship, the Cova Café* is the place to see and be seen.

Indoor Swimming Pool – in addition to the main pools on deck, Celebrity Mercury is unique among our fleet in offering you an indoor swimming pool covered by a retractable glass roof, so that you can make the most of the weather during your cruise.

Booking Conditions

Please Note: If you book a Celebrity Cruises cruise only holiday in conjunction with other services (such as flights, onshore accommodation and/or ground transfers) which are arranged or provided by a travel agent or tour operator ('travel organiser') with whom you book (and not us), your contract for your entire holiday including the cruise and all other such services and arrangements will be with your travel organiser and not with us. The travel organiser's own booking conditions (and not the following conditions) will apply to your contract. Please ensure you obtain a copy of these from your travel organiser before or at the time of booking. Please note, we do not have any liability to you. However, in the event we are found liable to you on any basis, our liability and/or obligations to you or your travel organiser will be no greater or different to the liability and obligations we have under these booking conditions to consumers who have a contract with us. In any such situation we will be fully entitled to rely on all defences, exclusions and limitations contained in the booking conditions set out below.

The following Booking Conditions form the basis of your contract. The parties to that contract are yourself, Celebrity Cruises Inc. of Miami, Florida ('Celebrity') and Royal Caribbean Cruise Line A/S ('RCCL A/S'), acting as disclosed agent for Celebrity. Both Celebrity and RCCL A/S accept legal responsibility for the proper performance of this contract as set out below. In these Bookings Conditions, 'you' and 'your' means all persons named on a booking and 'we', 'us' and 'ourselves' means both Celebrity and RCCL A/S unless the context clearly provides otherwise.

Please note: if you have booked a cruise holiday on Celebrity Xpedition to the Galapagos Islands the tour operator of the part of the cruise holiday that starts in Quito is Islas Galapagos Turismo y Vapores C.A. ('IGTV'), an Ecuador company, and that company will also be a party to your contract along with Celebrity Cruises Inc. and Royal Caribbean Cruise Line A/S.

1. Booking your holiday

1.1 How do I make a booking?

To book a cruise with Celebrity Cruises, contact your travel agent, book online at www.celebritycruises.com or call us 815 00185(Norway), 0771 28 29 30(Sweden), 33 12 76 00 (Denmark), 020 386 386(Finland)

1.2 How will my holiday be confirmed?

When you have made your reservation you will have an option for 7 days or less/ (depending on how long time it is to departure). You will receive Booking Offer Details. Please check all the details carefully before you confirm your cruise. If any details appear to be incorrect, you must inform us or your travel agent immediately. We regret we cannot accept any responsibility if you do not tell us or your travel agent about any mistakes or spelling errors in any document.

You confirm your reservation by phoning us or your travel agent. When confirming your reservation we must receive a deposit of 1000 nok/sek/dkk or €150 per person. If we have not received the payment before the option date expires, the reservation will automatically be cancelled. After confirmation and payment is done, you will receive your Confirmation Invoice.

1.3 What information must I provide to you and why?

From time to time we may be required to pass on to U.S. Immigration Authorities, airlines and/or possibly other authorised bodies certain personal and other details relating to our guests. You must provide us with specific information at the time of booking your cruise or no later than 70 days prior to your departure, whichever is the later. This information includes certain personal information, passport, emergency contact and insurance details. We will inform you at the time of booking, or as soon as we become aware, of the exact details required. We strongly recommend you visit our website at www.celebritycruises.com and click on 'Before your Cruise' then 'Online Check-in' and submit these details online. Providing this information online and prior to your cruise will significantly speed up your check-in process and will be able to board the ship sooner and avoid delays and queues at the cruise terminal. If you have not completed online check-in, you will be required to complete this process at the pier two hours prior to the published sailing time. If you are unable to complete the online check-in process, this may be due to an outstanding balance on your booking. If you have booked via a travel agent, please speak to your travel agent so that the funds can be transferred to us to complete your online check-in.

Please note: all guests must be checked-in and onboard the ship no later than 90 minutes prior to the published sailing time or they will not be permitted to sail. You will need to have your booking ID and date of sailing to hand or, if we have already received this information from you at the time of booking, verify that the details we are holding are complete and accurate. If you do not have access to the Internet, please see your travel agent. They will advise you on how this information can be provided or verified. Our procedures may change and we will inform you of any

changes at the time of booking or as soon as possible thereafter. We may need to pass the information you give us at the time of booking or later to the various suppliers who provide the elements which make up your holiday. At the time of printing this brochure the EU airlines we use are also required to pass certain of their passenger data to the U.S. Authorities. It may also be necessary for such data to be passed to other authorities also. This will include at least some of the information you provide to us. If you fail to supply the details requested, both fully and accurately, we are entitled to refuse your booking or, if you fail to provide them at a later date you may not be permitted to board your cruise ship and/or outward and/or return flight. We will not accept any liability in this situation and we will not pay you any compensation or make any refunds. You will be responsible for your onward/return travel arrangements. If failure to have this information results in fines, surcharges or other financial penalty being imposed on us, you will be responsible for reimbursing us accordingly. Please also see our Privacy Statement on page 71.

Passengers arriving in the U.S. will have a digital photograph taken, and have electronic finger prints taken. If you would like further information, please ask at the time of booking or contact the U.S. Embassy.

System For Travel Authorization (ESTA)

ESTA is an automated system used to determine the eligibility of visitors to travel to the United States under the Visa Waiver Program (WVP) and whether such travel poses any law enforcement or security risk. To apply for authorisation to travel to the United States under the WVP, travelers will log on to the ESTA web-based system and complete an application online providing the biographical and eligibility information required on the paper I-94W form. To qualify for the ESTA authorisation process, please log on to the ESTA website at <https://esta.cbp.dhs.gov>

The airlines will be ensuring that the ESTA information has been completed at check-in. For cruise check-in, our guests will need to bring a printed copy of their ESTA receipt and present this at the pier when checking in for a cruise that will call/finish at any U.S. port.

Please note that we cannot accept any responsibility if ESTA applications are rejected by the U.S. Department of Homeland Security (DHS). Any rejected ESTA applications will need to be referred to the Embassy of the United States to apply for a visa to travel to the United States.

1.4 When is the balance due?

We must receive the balance of the cruise cost (after deducting the deposit you have paid) no later than 42 days before departure unless you book 42 days or less before departure, in which case you must pay the total cruise cost at the time of booking. If we have not received all monies due to us in full and on time, we are entitled to assume you wish to cancel your cruise. In this case, you will have to pay cancellation charges as set out below (see 1.8.).

When you confirm your booking, you are asked to pay a deposit, either to us or your travel agent. The easiest way of doing so is directly from your credit card, which will be deducted with 1000 nok/sek/dkk or €150 per person.

1.5 What does the price include?

All prices quoted in this brochure are per person in US Dollars and are based on two people sharing the specified stateroom. Some elements of your holiday, including what is and is not included in the price will vary by itinerary. For example, what is and is not included in the price of a cruise holiday on Celebrity Xpedition may differ slightly from the information set out below and you should ask your travel agent or go to www.celebritycruises.com for further information. However, generally cruise only prices include the following where applicable: full board accommodation, entertainment* on board ship; and all relevant taxes excluding those set out below. Unless otherwise agreed, the price does not include shore excursions and personal expenses (for example, on-board drinks, laundry charges, health and beauty treatments, hairdressing, telephone calls, etc.); hotel meals onshore (unless otherwise stated); transfers by any method if not travelling on the standard departure date(s); travel insurance; service charges, i.e. tips or gratuities on board or ashore; anything else which is not specifically mentioned as being included in the price.

*A charge may be made for some entertainment activities onboard. We reserve the right to include a fuel surcharge when making a booking. The value of the supplement will be confirmed to you at the time of making a booking with us. Please note: if you are taking consecutive cruises there may be some duplication with regard to on-board programmes, meals and entertainment.

1.6 How is the pricing for a Celebrity cruise?

The from-prices shown in this brochure cover our flexible pricing programme. The pricing pages show the lowest ("Prices from") and is the lowest fare available on a specified sailing date (excluding Christmas, New Year & Easter departures - referred to as Festive Sailings). The price will vary by ship, itinerary, sailing dates and stateroom category. To find out the price for your chosen cruise, sailing date and stateroom category, contact your travel agent or Celebrity Cruises directly.

1.7 What is a 'Guarantee' (GTY) Booking?

From time to time, we may offer you the option of making what we term a 'Guarantee' (GTY) booking. This means you may book a stateroom of a guaranteed minimum category type, (specified by us prior to booking) on your chosen ship.

However, the exact location of the stateroom on the ship will be allocated by us (at our discretion) and at any time up until checking in at the Port. Once your GTY stateroom has been allocated to you, we are unable to accept any changes requested by you. The benefits to you of a GTY stateroom are that after your booking has been confirmed, we may (at our discretion) upgrade your stateroom to one of a superior category to that originally booked at no extra charge to you.

In any event, you are 'guaranteed' the minimum category of stateroom we agree to offer at the time of booking. At times, we may offer promotional GTY offers. Such promotional GTY categories are defined as follows:

W - Suite
X - Deluxe stateroom
Y - Ocean View stateroom
Z - Interior stateroom

1. 10 Will I need travel insurance?

Yes. All guests must have appropriate personal travel insurance before departure. This must include as a minimum cover for the cost of cancellation by yourself and the cost of assistance including repatriation in the event of accident or illness. It is your responsibility to make sure that the insurance you purchase is suitable and adequate for your particular needs and to purchase additional or alternative insurance if required. We would recommend that you contact your travel agent or an independent insurance broker for details of suitable policies.

2. Before you leave

2.1 What about valuable or important items?

Please make sure that all valuable and important items (for example, medicines, jewellery, fragile items, important travel and other documents, video/camera/computer equipment, etc.) are carried by hand and not packed in your luggage and/or left unsecured in your stateroom or elsewhere on board the ship. Special care must be taken of such items. For your protection once on board, all valuable and important items should be deposited with the Guest Relations Desk or in your stateroom mini-safe. You are also strongly advised to take out appropriate and adequate insurance to protect such items. We cannot accept any responsibility or liability for any valuable or important items, which are not deposited with the Guest Relations Desk for safekeeping.

2.2 What must I not take with me?

You must not pack in any luggage or bring on board any item specified as dangerous or illegal (e.g. guns, explosives, drugs, animals, flammable items, etc.). In addition, we/the airline may specify other items which you must not bring with you, and may also refuse to allow you to take on board any item which we/the airline, consider being inappropriate. If we or the Master of the ship have reason to believe that any stateroom may contain any item or substance which should not have been brought on board, the Master or an authorised officer has the right to enter and search the stateroom concerned and seize any such item or substance. Special Note: Please ensure that any sharp items, including but not limited to scissors, razor blades, nail clippers, tweezers, combs with metal prongs and knitting needles, are packed in your check-in luggage and not your hand luggage due to new and enhanced airport security measures.

2.3 What should I do if my property is lost, delayed or damaged during my cruise?

(See clause 2.1 for valuable or important items.) So that we may assist as much as possible, you must tell us about the problem as soon as possible during your cruise or whilst getting on or off the ship or using any services provided or arranged by us (other than air travel - refer to clause 2.4). If you discover the loss, delay or damage when on board, you must immediately report it to the Guest Relations Desk. The time limits for notifying any loss, delay or damage, and the maximum amount which will be payable by us or the supplier concerned, are as follows:

Any damage or delay, which is apparent, must be notified to ourselves and the supplier of the service concerned (if it is not us) before or, at latest, at the time of departure from the ship or, for other services, whilst using or at the end of using those services. Any loss, damage or delay, which is not apparent, must be notified to ourselves and the supplier of the service concerned (if it is not us) within 15 days of departure from the ship or the end of your using the service in question.

2.4 What is my luggage allowance?

Although there is no limit on how much luggage you may take onboard your cruise ship, there are always restrictions on the amount, size and weight of the luggage you may take on any flight. Please check your flight ticket for the luggage limit which applies to your flight, or check with the airline.

2.5 What are the passport and visa requirements for my holiday?

Please check the applicable passport and visa requirements with the embassies of the countries you will be visiting during your cruise, or check the up to date position with your travel agent in good time before departure. For your protection, we recommend that your passport expiration date not occur within 6 months of the voyage termination date. If you are travelling to the USA under the Visa Waiver Programme, you and all members of your party (including children) must ensure that your passport is machine-readable. A passport is machine-readable when there are two lines of letters, numbers and chevrons (">>>>>>") printed across the long edge of the personal information page (the page with photograph and personal details).

The machine readable text will appear on a white strip on older passports and directly on the pink page of newer passports. If there are no such lines of text on the personal information page, the passport is not machine-readable. This may vary by country and if you are unsure as to what type of passport you hold, please check with your national passport office. From 26 October 2004, anyone travelling to the USA under the Visa

Waiver Programme without a machine-readable passport will need a visa to travel to the USA. If you are travelling to the USA after October 2006 under the Visa Waiver Programme and are carrying a passport issued after this date, you will be required to have a biometric passport. Travellers with valid machine-readable passports issued before October 2006 travelling to the USA under the Visa Waiver Programme can travel on their existing passports up to, and beyond, October 2006. If your passport is issued after 26 October 2006 and it is not biometric, you will not qualify for visa free travel but will be required to obtain a visa. For more details on passports, please ask at the time of booking or contact your National Passport office.

Please note that this information is particularly subject to change and you must check the up to date requirements in good time before departure.

Please note: Certain persons may not be eligible to enter the United States visa free under the Visa Waiver Programme. These include, but are not limited to, for example people who have been arrested, even if the arrest did not result in a criminal conviction and those with criminal records. If you are in any doubt whatsoever as to whether you can travel under the Visa Waiver Programme, you are strongly advised to contact the Consular Information unit at the US Embassy before you book your holiday with us. If you are not a citizen of a country participating in the Visa Waiver Programme, you must check the applicable passport and visa requirements with the Embassies of the countries that you will be visiting during your holiday. This includes any technical stops such as Prince Rupert. We regret that we cannot accept any liability if you are refused entry onto any flight or into any country or otherwise suffer any difficulties or incur any costs as a result of not having the correct passport and / or any required visa. Most passport holders will require a visa for travel to Russia, which will take several weeks or longer to obtain. A visa service is not generally provided by Celebrity Cruises, however, if you visit Russia on one of the available excursions organised by Celebrity Cruises, you will not require a visa whilst on that particular excursion. However, if you want to do any independent sightseeing, you must obtain a visa directly from the Russian Embassy.

You must ensure that exactly the same name (including initials) appears on your ticket as in your passport. If there is any difference, you may be refused entry onto your flight/cruise. We regret we cannot accept any liability if you are refused entry onto any flight or into any country or otherwise suffer any difficulties or incur any costs as a result of not having an acceptable passport or any required visa(s).

Certain Port Authorities may from time to time ask to see photo identification when you depart the ship during the cruise. We strongly suggest that you take a photocopy of your passport in addition to your passport itself with you on holiday and carry the photocopy with you each time you depart the ship in order to minimise any inconvenience this may cause.

2.6 Are there any formal health requirements?

Please contact your doctor for advice and the most up-to-date health requirements for all destinations featured in this brochure. Celebrity Cruises welcomes pregnant guests but will not accept guests who will enter their 24th week of pregnancy by the beginning of, or at any time during their cruise holiday. Please check our website for full details.

3. On board ship

3.1 What about dining?

On Celebrity Cruises, you have a choice of two sittings for meals in the main restaurant. Please request your preferred seating and table size at the time of booking. Dining seating is allocated on a first come, first served basis. Therefore, you are advised to book as early as possible to avoid disappointment. We cannot accept any bookings, which are conditional on your preferred seating being or becoming available before departure. If you cancel because your preferred seating is not available (whether or not this was confirmed at the time of booking), our normal cancellation charges will apply. Seating requests cannot be guaranteed.

Your table number will be confirmed in your stateroom at the start of your cruise. Dining times may vary slightly on port days due to shore excursion departures.

3.2 What about special diets?

Celebrity can accommodate a variety of dietary needs, including diabetic, low-sodium, low-fat, low cholesterol, lactose-free, and kosher*. You must notify us in advance so we can prepare for your arrival. Please submit your dietary request in writing at least 45 days prior to your sail date giving as much detail as possible as to your particular requirements and confirm your arrangements with the Restaurant Manager on the day of boarding. (Kosher meal requests must be supplied in writing 80 days prior to the sail date for sailings in Europe and South America and 40 days prior for sailings in the Caribbean and Alaska).

* Kosher meals are pre-packaged and are only available for dinner.

Please note that whilst we are able to take requests for specific dietary requirements and take note of food intolerances, this is confined to the main restaurant on each ship.

We are unable to guarantee or accept responsibility that the food served in any other food establishment on board ship will be able to cater for specific dietary requirements and food intolerances.

3.3 Can a special request be guaranteed?

Regrettably, no. If you have a special request, please give details in writing to your Travel Agent or at the time of booking. Whilst we and our suppliers will endeavour to meet reasonable special requests, we regret we cannot guarantee that we/ the supplier will be able to do so. Not meeting any special request for any reason will not be a breach of contract. If a special request can only be met at an additional cost, that cost will either be invoiced prior to departure or will be payable locally.

Confirmation that a special request has been noted and passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless specifically agreed by us in writing at the time of booking, we cannot accept any booking, which is conditional on a special request being satisfied. Such bookings will be treated as normal bookings subject to the above comments on special requests.

3.4 Consumption of alcohol on board

The minimum drinking age for all alcoholic beverages on all Celebrity Cruises ships is twenty-one (21). However on International cruises departing from ports in Europe and South America, where the legal drinking age is typically lower than 21, a parent or legal guardian who is sailing with his or her son(s) and/or daughter(s) who is between the ages of 18 to 20, may sign a waiver allowing the 18 to 20 year old to consume alcoholic beverages. The 18 to 20 year old guest must agree to comply with Celebrity's policies, including among other things, agreeing to not provide alcoholic beverages to any other person, regardless of age.

Please note: Due to Spanish regulations, we are not permitted to sell alcohol or cigarettes from the duty free ships on board selected sailings that depart from Barcelona. Restrictions apply and this policy is subject to change without notice.

We understand, however, that tipping is a personal option, so if you wish to adjust the amount, please contact Guest Relations who will be happy to assist you.

3.6 Shore excursions and activities

The information contained in our brochure is correct to the best of our knowledge at the time of the brochure going to print. Our brochure descriptions may refer to activities, which are available in the ports you are visiting. We have no involvement in any such activities, which are neither run, supervised nor controlled in any way by us. The shore excursions are provided by local operators who are entirely independent of us. They do not form any part of your contract with us even where we suggest particular operators/centres and/or assist you in booking such activities in any way.

Accordingly, we cannot accept any liability in relation to such activities and the acceptance of liability contained in clause 4.7 of our booking conditions will not apply to them. We cannot guarantee accuracy at all times of information given in relation to such activities or about the resorts/area you are visiting generally (except where this concerns the services which will form part of your contract) or that any particular excursion or activity which does not form part of our contract will take place as these services are not under our control.

If you feel that any of the activities mentioned in our brochure, which are not part of our contract, are vital to the enjoyment of your holiday, write to us immediately and we will tell you the latest known situation. If we become aware of any material alterations to resorts/area information and/or such outside activities, which can reasonably be expected to affect your decision to book a holiday with us, we will pass on this information at the time of the booking.

3.7 Smoking Policy

Smoking will no longer be permitted inside any stateroom or on any stateroom balcony or our ships' casinos. Smoking will continue to be allowed in the observation lounges on each ship. Exterior designated areas will remain the same as previously indicated, with the exception of the Solstice Class where Smoking on the Pool and Sun Deck will be moved to the Starboard side to improve our guests' dining experience at the Mast Grill.

For each of the ships, the Hotel Director, at his discretion, will designate either Port/Starboard and Forward/Aft of the Promenade deck as another exterior (covered) smoking venue.

- Celebrity Xpedition operates under a stricter policy than the rest of the fleet, it will continue with the same policy of allowing smoking only on the ship's outer decks, in designated areas.
- Celebrity Solstice's Lawn Club and the Sunset Bar at the Lawn Club will not allow smoking.
- Violations to the smoking policy may result in a \$250 cleaning fee being charged to the guest's onboard account and may also be addressed through the line's guest conduct policy.

Our smoking policy is subject to change. Changes may be introduced where countries that we are sailing to/from enforce their local smoking regulations.

4. Additional information

4.1 What if I am travelling with a group?

Please consult your travel agent or ourselves directly for deposit, payment, cancellation and other information. Terms and conditions for those travelling in a group are different to those that apply to individual bookings.

4.2 What about guests with special needs?

You must ensure that you are medically and physically fit for travel, and that such travelling will not endanger yourself or anyone else. At the time of booking (or as soon as possible if the condition arises after booking) you must tell your travel agent in writing about any medical or physical condition which will or may require medical treatment or attention during your holiday or which may or will affect your holiday in any way (including your use of any services or facilities). Please provide as much information as possible.

Except as set out below, our ships have selected staterooms designated for guests with physical disabilities. Please contact celebrityspecialservices@celebritycruises.com for further information. Guests who use wheelchairs must provide their own collapsible wheelchair and may find certain areas of the ship inaccessible. Certain conditions (for example, use of tenders) may prevent guests with wheelchairs from going ashore at certain ports of call.

Please note: Celebrity Xpedition does not have any staterooms that will accommodate wheelchairs or facilities needed by guests who are dependent on oxygen or requiring oxygen therapy.

Guests affected by a disability or medical condition must be self-sufficient or travel with someone who can provide all necessary assistance. We regret we must reserve the right to refuse to allow anyone to travel who, in our reasonable opinion, is physically or mentally unfit to travel or will or may require care beyond that which any travelling companion or we ourselves can reasonably provide.

4.3 Are there any age restrictions?

No person under twenty-one (21) (a 'minor') may sail on any cruise holiday or have a stateroom on his or her own unless accompanied by a parent or legal guardian or authorised person who is over the age of twenty-one (21). No guest under the age of twenty-one (21) will be booked in a stateroom unless accompanied by an adult twenty-one (21) years of age or older, except for minors sailing with their parents or legal guardians in adjacent staterooms. Any minor who is not travelling with at least one of their parents/legal guardian(s) will only be permitted to board the ship and undertake the cruise if accompanied by a person(s) over the age of twenty-one (21). For minors aged 17 or under at the start of the sailing, written authorisation from a parent/legal guardian must be provided. For minors 18, 19 or 20 at the start of the sailing authorisation is not required. Adults who are not the parent or legal guardian of any child travelling with them are required to present the child's valid passport and applicable visa (or certified copy of child's birth certificate) and one of the child's parents/legal guardians. The letter must authorise the travelling adult to take and supervise the minor/s on the specified cruise, allow them to sign any applicable sports waivers and must authorise the travelling adult to permit any medical treatment that must be administered to the child which in the opinion of the treating doctor needs to be carried out without delay. A letter can be legally affirmed or notarised by a practising solicitor, notary or commissioner for oaths for a fee. If such evidence is not produced, the minor(s) concerned will not be permitted to board the ship or undertake the cruise. We will not be responsible for any costs, expenses or losses suffered as a result either by the minor affected, the person(s) paying for their cruise (if not the minor him/herself), or any persons travelling with the minor who decide not to continue with the holiday as a result of the failure to produce a letter of authorisation as set out above. We will not pay any compensation or give any refund to any minor who we have not permitted to board the ship, any person paying for the minor's holiday (if not the minor him/herself), or any persons travelling with the minor who decide not to continue with the cruise themselves as a result of the failure to produce a letter of authorisation. Please note that parent(s)/legal guardian traveling with a child who has a different surname to the parent(s)/legal guardian, will be required to produce official proof such as a full birth certificate/divorce papers etc to prove that they are the parent(s)/legal guardian of the children concerned. Individual staterooms can be booked by married couples whose minimum age are eighteen (proof of marriage is required at time of booking). On board there are certain facilities where each entry is restricted by age. Persons using the Elemis® AquaSpa® must be over the age of 18. Full details of onboard facilities with age restrictions are contained within the Daily Programme, which is available from the Guest Relations Desk. The minimum age for infants to sail is six (6) months, as of the date of sailing and twelve (12) months, as of the date of sailing for Transatlantic, Transpacific, Hawaii, selected South American cruises and other selected cruises. The health and safety of our guests is our number one priority. As such, in consideration of the limitations of the shipboard medical facility, equipment and staff, the

company can not accept waivers, releases or requests for exceptions to this policy.

4.4 What about advanced or delayed sailings and changes in the itinerary?

We regret we cannot guarantee that ships will call at every advertised port or follow every part of the advertised itinerary. Itineraries may change from time to time. Celebrity Cruises and the Master of the ship have the right to omit any port(s), call at any additional port(s), deviate from the advertised itinerary in any way or substitute another ship or port. This could be for a variety of reasons such as prevailing weather and sea conditions, guest emergencies, providing assistance to other vessels and the ship being unable to operate at its normal speed(s) due to unexpected mechanical or technical problems. Normally, changes in the itinerary are to protect the interests and safety of our guests. Please also see clause 4.5.

4.5 Can you refuse to allow me to travel?

Yes, if in our reasonable opinion or the reasonable opinion of the ship's Master or doctor, you are or appear to be unfit to travel for any reason or a risk or danger to yourself or a danger to others or behave in such a way as to cause or likely to cause danger, upset or distress to any third party or danger to property. In this situation we are entitled without prior notice to refuse to allow you to travel on any ship and to terminate your cruise holiday at any time. You may then be left at any port or place at which the ship calls without our incurring any liability. You will have to pay any costs, expenses or losses suffered as a result, and we will not pay any compensation or give you any refund. Once your holiday has been terminated in this manner, we will not have any further responsibility towards you. The same right to refuse to allow you to travel or to use any services applies where you are or appear to be unfit to travel or otherwise behave badly as set out above during any other part of your holiday. If we refuse to allow you to take your holiday because you have failed to give proper notice of physical or mental disabilities or conditions, which require special care, the cruise only fare you have paid will be refunded. On every Celebrity ship, we are committed to providing every guest with a cruise holiday that is excellent. To further ensure that you and your fellow guests receive exactly that, we have developed a set of Guest Behaviour Policies; this is available on board. IMPORTANT: A violation of Celebrity Cruises Inc. Guest Behaviour Policies is cause for appropriate corrective action, including confiscation of improper materials or items and ejection of the guest from the ship. These policies are subject to change without notice and without liability to Celebrity Cruises Inc. Celebrity Cruises Inc. is free to adopt additional rules not stated in these policies.

4.6 What is your liability?

- (1) Subject to clause 5.8 below we promise to make sure that the holiday arrangements we have agreed to make, perform or provide as applicable as part of our contract with you are made, performed or provided with reasonable skill and care. This means that, subject to these booking conditions, we will accept responsibility if, for example, you suffer death or personal injury or your contracted holiday arrangements are not provided as promised or prove deficient as a result of the failure of ourselves, our employees, agents or suppliers to use reasonable skill and care in making, performing or providing, as applicable, your contracted holiday arrangements.

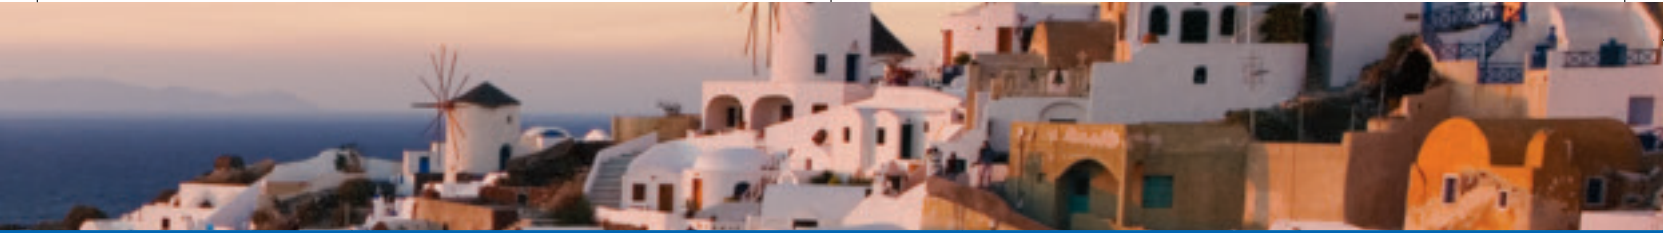

Please note it is your responsibility to show that reasonable skill and care has not been used if you wish to make a claim against us. In addition, we will only be responsible for what our employees, agents and suppliers do or do not do if they were at the time acting within the course of their employment (for employees) or carrying out work we had asked them to do (for agents and suppliers).

- (2) We will not be responsible for any injury, illness, death, loss (for example loss of enjoyment), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following:

- the act(s) and/or omission(s) of the person(s) affected or any member(s) of their party or
- the act(s) and/or omission(s) of a third party not connected with the provision of your holiday and which were unforeseeable or unavoidable or
- 'force majeure' as defined in clause 4.10 below

Please note, we cannot accept any liability for any damage, loss, expense or other sum(s) of any description (1) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you or (2) which did not result from any breach of contract or other fault by ourselves or our employees or, where we are responsible for them, our suppliers. Additionally we cannot accept liability for any business losses.

Please note, we cannot accept responsibility for any services, which do not form part of our contract. This includes, for example, any additional services or facilities, which your hotel or any other supplier agrees to provide for you where the services or facilities are not advertised in our brochure,

and we have not agreed to arrange them. In addition, regardless of any wording used by us on our website, in any of our brochures or elsewhere, we only promise to use reasonable skill and care as set out above and we do not have any greater or different liability to you.

The promises we make to you about the services we have agreed to provide or arrange as part of our contract - and the laws and regulations of the country in which your claim or complaint occurred - will be used as the basis for deciding whether the services in question had been properly provided. If the particular services which gave rise to the claim or complaint complied with local laws and regulations applicable to those services at the time, the services will be treated as having been properly provided. The exception to this is where the claim or complaint concerns the absence of a safety feature, which might lead a reasonable holidaymaker to refuse to take the holiday in question.

4.7 What is your limit of liability?

Please note: The provisions of the Convention relating to the Carriage of Passengers and their luggage by sea 1974 ("The Athens Convention") apply to your cruise as well as the process of getting on and/or off the ship. For any claim involving death or personal injury or delay or loss of or damage to luggage the only liability we have to you is in accordance with The Athens Convention. This means you are not entitled to make any claim against us which is not expressly permitted by The Athens Convention or which is in excess of the limits provided by The Athens Convention. Any claims covered under The Athens Convention must be made within the time limits set out in The Athens Convention.

The Athens Convention limits the maximum amount we as the carrier have to pay if found liable in the event of death or personal injury or loss or damage to luggage and makes special provision for valuables. For claims concerning luggage and valuables, please see other clauses of these terms and conditions.

Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/or off the transport concerned) provided by any air, rail or road carrier or any stay in a hotel, the maximum amount of compensation we will have to pay you will be limited. The most we will have to pay you for that claim or that part of a claim if we are found liable to you on any basis is, except as otherwise set out in the Booking Conditions, the most the carrier or hotel keeper concerned would have to pay under the International Convention or regulation which applies to the travel arrangements or hotel stay in question (for example, the Warsaw Convention as amended or un-amended and the Montreal Convention for international travel by air and/or for airlines with an operating license granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by air.

Please note: Where a carrier or hotel would not be obliged to make any payment to you under the applicable International Convention or Regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the transport provider or hotelier for the complaint or claim in question. Copies of the applicable International Conventions and Regulations are available from us on request.

4.8 What happens if I have a complaint?

We promise to make sure that all parts of the cruise we have agreed to arrange, as part of our contact with you, are properly provided subject to the following exceptions. We cannot accept liability or pay you any compensation where any injury, illness, death, damage, loss or other claim results from any of the following:

- 1) the fault of the person(s) affected or any member(s) of their party or
- 2) the fault of a 3rd party not connected with the provision of your holiday which we could not have predicted or avoided.
- 3) an event or circumstances which we or the supplier of the service(s) in question could not have predicted or avoided even taking all reasonable care.
- 4) the fault of any person who was not caring out work agreed by us at the time in question.

Please note, we cannot accept responsibility for any services, which do not form part of our contract. This includes, for example, any additional services or facilities, which your hotel or any other supplier agrees to provide for you where the services or facilities are not advertised in our brochure and we have not agreed to arrange them.

The promises we make to you about the services we have agreed to provide or arrange as part of our contract - and the laws and regulations of the country in which your claim or complaint occurred - will be used as the basis for deciding whether the services in question had been properly provided. If the particular services which gave rise to the claim or complaint complied with local laws and regulations applicable to those services at the time, the

services will be treated as having been properly provided. This will be the case even if the services do not comply with the laws and regulations of your country of residence which would have applied had those services been provided in your country of residence. The exception to this is where the claim or complaint concerns the absence of a safety feature which might lead a reasonable holiday maker to refuse to take the holiday in question.

4.9 What about circumstances which are totally outside your control?

Except where we specifically say otherwise in these terms and conditions, we cannot accept any liability or pay any compensation where your holiday and/or any other services we have promised to arrange or provide cannot be provided at all, or as promised or you otherwise suffer any damage or loss (as more fully described in clause 4.7 above) as a result of circumstances which are totally outside our control ("force majeure"). When we talk about circumstances which are totally outside our control, we mean any event which we or the supplier of the service in question could not have predicted or avoided even after taking all reasonable care. Such events are likely to include war or threat of war, acts of terrorists or threats of such acts, riots or civil unrest, industrial action, natural or nuclear disaster, fire, adverse weather conditions, health risks, epidemics, mechanical difficulties (which we could not have anticipated or avoided despite our normal comprehensive mechanical checks) and all similar circumstances which are outside our control.

4.10 Brochure validity

You must ensure that you are using an up-to-date brochure when you book your holiday. We cannot accept any liability whatsoever for any mistakes and/or any incorrect/inaccurate information which results from the use of an out of date brochure.

4.11 What other conditions apply to my holiday?

Airlines, hotels, lodges, rental companies and our other suppliers have their own conditions, which will apply to your holiday. Some of these conditions may limit or exclude the airline's or other supplier's liability to you, often in accordance with International Conventions. Copies of the relevant parts of these conditions are available upon request.

4.12 Price and brochure accuracy

Celebrity Cruises' policies and procedures are constantly evolving. At the time of printing, all those listed in this brochure were correct. Please note: The information and prices shown in this brochure may have changed by the time you come to book your holiday. Whilst every effort is made to ensure the accuracy of the brochure and prices at the time of printing, regrettably errors do occasionally occur. You must therefore ensure that you check all details of your chosen holiday with your travel agent, or with us direct, at the time of booking.
